MANAGEMENT DISCUSSION AND ANALYSIS (“MDA”)
GLOBAL ECONOMIC

The global economy demonstrated resilience during 2025-26 despite geopolitical tensions, elevated interest rates in major economies, supply chain disruptions and trade policy uncertainties. According to the International Monetary Fund (IMF), global growth is projected at around 3.1%–3.3% during 2026, supported by technological investments, easing inflationary pressures and improved financial conditions. However, geopolitical conflicts, energy price volatility, protectionist trade measures and slowing industrial activity in certain advanced economies continue to pose downside risks.

Emerging economies, particularly India and Southeast Asia, are expected to remain key drivers of global growth, supported by infrastructure investments, manufacturing expansion and rising domestic consumption. India continues to be among the fastest-growing major economies, benefiting from strong government spending, industrial development and increasing investments in manufacturing and infrastructure sectors.

Global inflation has moderated compared to previous years, although energy prices remain vulnerable to geopolitical developments and supply disruptions. Central banks across major economies continue to balance growth support with inflation management, while businesses remain focused on operational efficiency and supply chain resilience.

INDIAN ECONOMY

India continues to remain one of the fastest-growing major economies globally, supported by strong domestic demand, government-led capital expenditure, infrastructure development, manufacturing growth and an expanding services sector. Despite global geopolitical uncertainties, trade disruptions and inflationary pressures, the Indian economy has demonstrated resilience through sustained investment activity and robust consumption trends.

Various multilateral agencies including the Asian Development Bank (ADB) and the International Monetary Fund (IMF) have projected India’s GDP growth in the range of approximately 6.4% to 6.9% over the medium term, positioning India among the fastest-growing large economies in the world. Growth is expected to be driven primarily by domestic consumption, public infrastructure spending, manufacturing expansion and increasing private sector investments.

The Government of India continues to focus on infrastructure creation, industrial development and manufacturing competitiveness through initiatives such as:

- Make in India;
- Production Linked Incentive (PLI) Schemes;
- National Infrastructure Pipeline (NIP);
- Gati Shakti Programme;
- Logistics and supply chain modernization;
- Renewable energy and energy transition initiatives.

These measures are expected to improve industrial productivity, strengthen domestic manufacturing capabilities and enhance India’s competitiveness in global supply chains.

India’s manufacturing sector has shown encouraging momentum supported by rising domestic demand, infrastructure spending and capacity expansion across key industries. Continued growth in sectors such as steel, aluminium, construction, automobiles, engineering and chemicals is expected to support industrial production and investment activity.

The services sector continues to be a significant contributor to economic growth, driven by information technology services, financial services, digital infrastructure, Global Capability Centres (GCCs), e-commerce and telecommunications. Strong GST collections, improving credit growth and increasing formalization of the economy continue to provide support to economic activity.

Rural demand is also expected to improve gradually, supported by government welfare initiatives, agricultural reforms and higher rural spending. However, weather-related risks, including monsoon variability, may influence agricultural output and rural consumption patterns.

While the overall outlook remains positive, certain challenges continue to persist, including:

- Global geopolitical tensions and trade uncertainties;
- Volatility in crude oil and commodity prices;
- Inflationary pressures arising from energy and food prices;
- Currency fluctuations;

- Supply chain disruptions;
- Slower growth in certain global economies.

Nevertheless, supported by strong macroeconomic fundamentals, policy reforms, infrastructure investments and growing industrialization, India is expected to maintain its position as one of the leading growth engines of the global economy. The medium to long-term outlook remains favourable, particularly for sectors linked to manufacturing, infrastructure, energy, metals, chemicals and industrial development.

For industries such as Calcined Petroleum Coke (CPC), carbon products, steel and aluminium, the continued expansion of infrastructure, manufacturing and industrial production in India is expected to create significant growth opportunities in the coming years.

INDUSTRY OVERVIEW

The global Calcined Petroleum Coke (CPC) industry continues to be supported by sustained demand from the aluminium, steel, graphite electrode, titanium dioxide and specialty carbon product industries. CPC remains a critical raw material in the manufacture of carbon anodes used in primary aluminium production and various metallurgical applications.

Demand for CPC is expected to remain robust, driven by increasing aluminium consumption in infrastructure, renewable energy, electric vehicles, transportation and packaging industries. Expansion of aluminium smelting capacities in India, the Middle East and Southeast Asia is expected to provide long-term growth opportunities for CPC manufacturers.

The global transition towards electric mobility and clean energy technologies is also expected to support demand for carbon materials and high-quality petroleum coke products. Growing investments in battery manufacturing and energy storage infrastructure are creating additional opportunities across the carbon value chain.

In India, continued emphasis on infrastructure development, power transmission projects, railway modernization, urbanization and industrial growth is expected to support demand for aluminium and steel, thereby strengthening the outlook for CPC and related carbon products. Government initiatives such as "Make in India", Production Linked Incentive (PLI) schemes and increased capital expenditure on infrastructure are expected to provide further growth momentum to downstream industries consuming CPC.

The industry, however, continues to face challenges arising from:

- Volatility in crude oil and green petroleum coke prices;
- Fluctuations in freight and logistics costs;
- Environmental and emission-related regulatory requirements;
- Supply-demand imbalances in global petroleum coke markets;
- Geopolitical developments affecting energy markets and international trade.

Availability of low-sulphur green petroleum coke, a key raw material for CPC production, remains a critical factor influencing industry dynamics. Any disruption in refinery production patterns or feedstock availability may impact pricing and supply conditions globally. At the same time, increasing refining capacities in Asia and the Middle East may improve long-term supply availability.

Key Industry Drivers

- Global aluminium production growth, driven by demand from electric vehicles (EVs), packaging, and infrastructure sectors.
- Rising infrastructure investments and renewable energy deployment, which increase demand for aluminium and specialty carbons.
- India's industrial expansion and the 'Make in India' initiative supporting domestic manufacturing of CPC and related products.
- Tightening environmental regulations in key raw material-producing countries such as China, which affect global supply dynamics.

Raw Material Landscape

The primary raw materials for CPC production are Raw Petroleum Coke (RPC) and Calcined Petroleum Coke for blending. The Company sources approximately 58% of its raw materials through imports and 42% from indigenous sources. Foreign currency risk management through forward contracts is an integral part of the procurement strategy.

The Company is engaged in the manufacture and sale of carbon-based and chemical products. PCCL continues to focus on:

- Expansion of manufacturing capabilities;
- Product quality enhancement;
- Operational excellence and cost optimization;
- Strengthening customer relationships;
- Development of value-added products.

COMPANY OVERVIEW

Petro Carbon and Chemicals Limited ("PCCL") is an ATHA Group (the "Group") Company engaged in the business of manufacturing and marketing of Calcined Petroleum Coke ("CPC") in the carbon industry. Our Company's business model is fundamentally a B2B model wherein we majorly supply our end product CPC, to the renowned, aluminum manufacturing government companies, graphite electrodes and titanium dioxide manufacturers as well as other users in the metallurgical, chemical industries and other steel manufacturing companies. In 2018, our company was honored with the prestigious NALCO VIKRETA UTKARSH PURASKAR, recognizing us as the top supplier among all the suppliers of POL (Petroleum, Oil, and Lubricants) by the National Aluminum Company Limited.

We currently operate one (1) manufacturing plant located at PO: Oil Refinery, Haldia, Dist. Purba Medinipur, West-Bengal 721 606 (Haldia Industrial Growth Centre of WBIDC) which is presently involved in calcination of Petroleum Coke. The Plant has a capacity of approximately 93,744 tons per annum of CPC and the plant comprises an area of around 30 acres with good infrastructure facilities like own railway siding inside the plant premises itself facilitating unloading / loading of wagons, along with yard / shed to store both Raw Petroleum Coke (RPC) / Calcined Petroleum Coke (CPC).

The following operating and financial reviews are intended to convey the management's perspective on the operating and financial performance of Petro Carbon Chemical Limited for the financial year ended March 31, 2026. This should be read in conjunction with the Company's Standalone Financial Statements, the schedules and notes thereto and other information included elsewhere in our Company's Annual Report.

Our Company's Financial Statements have been prepared in compliance with the requirements of the Companies Act, 2013, the guidelines issued by the Securities and Exchange Board of India (SEBI), in accordance with the Generally Accepted Accounting Principles (GAAP).

Manufacturing Unit

PCCL is strategically located within the port perimeter and has access to all the strategic transportation means at its door step. The plant site area is well developed. All necessary infrastructure facilities such as motorable road, nearness to rail head with its own railway siding and having all the necessary utility facilities like continuous service water connection from Haldia Development Authority (HDA), industrial electric-power connection from West Bengal State Electricity Distribution Company (WBSEDCL).

PCCL enters FY 2026-27 with significant momentum. The near-doubling of revenue in FY 2025-26, coupled with improved margins and return ratios, positions the Company well for the next phase of growth. Key strategic priorities for the coming year include:

Capacity Expansion and Commissioning

The Company has invested Rs. 5,638.11 Lakhs in projects currently under construction (CWIP). The completion of these projects — expected within FY 2026-27 — is anticipated to substantially increase production capacity, enabling further revenue growth and operating leverage.

Business Diversification

The Company is channelling capital through its subsidiary, ACL Alchemy Private Limited, which is utilising the funds for further capital contribution in Vishal Industries, its associate. This integrated approach signals a strategy of controlled vertical or horizontal diversification within the broader industrial materials space.

Financial Discipline

The Company will seek to optimise its debt profile as new capacities get commissioned and cash generation improves. With a Debt-Equity Ratio of 0.52x and a DSCR of 3.86x, the balance sheet has adequate headroom. Working capital optimisation will be a priority.

Regulatory Compliance

The Company remains committed to full compliance with all statutory, environmental, and corporate governance requirements. The Company has maintained its clean compliance record, including CSR spending in excess of the mandated amount.

FINANCIAL PERFORMANCE REVIEW

FY 2025-26 was a landmark year for PCCL. The Company delivered strong revenue growth and improved profitability, reflecting both volume expansion and improved realisations. All figures are in Rs. Lakhs unless stated otherwise.

Profit & Loss Summary

Particulars	FY 2025-26	FY 2024-25
Revenue from Operations	57,665.15	29,597.12
Other Income	126.20	380.18
Total Income	57,791.35	29,977.30
Cost of Materials Consumed	46,565.02	22,580.81
Changes in Inventories of Finished Goods	(112.03)	1,667.89
Employee Benefit Expenses	731.74	624.95
Finance Cost	1,682.75	708.25
Depreciation & Amortisation	599.06	278.92
Other Expenses	4,971.43	3,375.95
Total Expenses	54,437.97	29,236.77
Profit Before Tax (PBT)	3,353.38	740.53
Tax Expense (Net)	813.75	(206.54)
Profit After Tax (PAT)	2,539.63	947.07

Revenue Analysis

Revenue from Operations surged by approximately 94.83% from Rs. 29,597.12 Lakhs in FY 2024-25 to Rs. 57,665.15 Lakhs in FY 2025-26. This growth was driven by:

- Significant volume growth in the sale of Calcined Petroleum Coke — net sales stood at Rs. 56,780.14 Lakhs (FY 2024-25: Rs. 29,529.07 Lakhs), a near doubling of turnover.
- Expansion in sales of Electrical Energy, which grew from Rs. 68.06 Lakhs to Rs. 885.01 Lakhs — reflecting the commissioning and scaling of the captive power plant.
- Favourable realisations and improved market penetration.

Other Income declined from Rs. 380.18 Lakhs to Rs. 126.20 Lakhs, primarily due to lower interest income on loans (Rs. Nil vs Rs. 105.34 Lakhs in the previous year) and a reduction in miscellaneous income.

Cost Structure and Margins

The cost of materials consumed rose to Rs. 46,565.02 Lakhs (FY 2024-25: Rs. 22,580.81 Lakhs), tracking the near-doubling of revenue. Raw Petroleum Coke (RPC) represented the dominant input cost at Rs. 30,633.06 Lakhs.

Despite the surge in revenue, material cost as a percentage of revenue remained broadly similar, demonstrating stable procurement efficiency.

Finance Costs increased substantially to Rs. 1,682.75 Lakhs (from Rs. 708.25 Lakhs), reflecting higher utilisation of term loans and working capital facilities for capacity expansion and increased business share.

Depreciation & Amortisation nearly doubled to Rs. 599.06 Lakhs (from Rs. 278.92 Lakhs), tracking the addition of new plant and equipment.

Other Expenses grew to Rs. 4,971.43 Lakhs (from Rs. 3,375.95 Lakhs), with freight and forwarding costs of Rs. 2,055.46 Lakhs being the largest component, reflecting higher volumes.

Profitability

The Company's profitability showed a dramatic improvement across all metrics:

Metric	FY 2025-26	FY 2024-25
Profit Before Tax (Rs. Lakhs)	3,353.38	740.53
Profit After Tax (Rs. Lakhs)	2,539.63	947.07
PBT Margin (%)	5.81%	2.50%
PAT Margin (%)	4.40%	3.20%
Basic & Diluted EPS (Rs.)	10.28	3.83
Return on Equity (%)	13.89%	5.70%
Return on Capital Employed (%)	15.66%	5.15%

PBT increased by 353% year-on-year to Rs. 3,353.38 Lakhs. PAT grew by 168% to Rs. 2,539.63 Lakhs. The significant improvement in profitability ratios reflects the benefit of operating leverage as volumes scaled, combined with disciplined cost management.

BALANCE SHEET AND FINANCIAL POSITION REVIEW

Shareholders' Funds

The Company's net worth strengthened significantly during the year:

Particulars (Rs. Lakhs)	31st March 2026	31st March 2025
Share Capital	2,470.00	2,470.00
Reserves and Surplus	17,037.21	14,582.35
Total Shareholders' Funds	19,507.21	17,052.35

Reserves and Surplus grew from Rs. 14,582.35 Lakhs to Rs. 17,037.21 Lakhs, driven entirely by PAT accretion. The Surplus in the Statement of Profit and Loss increased from Rs. 10,213.65 Lakhs to Rs. 12,753.28 Lakhs. Share capital remained unchanged at Rs. 2,470.00 Lakhs (2,47,00,000 equity shares of Rs. 10/- each). The Company has 2,60,00,000 authorised shares.

Non-Current Liabilities

Long-term borrowings increased from Rs. 6,020.69 Lakhs to Rs. 9,565.84 Lakhs, reflecting net drawdown of term loans to fund the ongoing capital expenditure programme.

Current Liabilities

Total current liabilities declined from Rs. 18,180.08 Lakhs to Rs. 16,149.34 Lakhs, driven by a reduction in trade payables.

Short-term borrowings increased from Rs. 8,383.04 Lakhs to Rs. 10,358.40 Lakhs, reflecting expanded working capital facility utilisation — bill discounting at Rs. 4,943.02 Lakhs and buyers' credit at Rs. 3,233.46 Lakhs — to support higher business volumes.

Trade payables reduced from Rs. 9,031.55 Lakhs to Rs. 4,648.51 Lakhs, due to lower year-end purchasing.

Dues to Micro and Small Enterprises (MSME) increased to Rs. 982.73 Lakhs from Rs. 267.17 Lakhs, reflecting higher procurement from MSME suppliers.

Non-Current Assets

Particulars (Rs. Lakhs)	31st March 2026	31st March 2025
Property, Plant & Equipment (Net)	16,208.54	15,933.03
Capital Work-in-Progress (CWIP)	5,638.11	435.46
Non-Current Investments	935.00	310.00
Long-Term Loans & Advances	58.23	67.43
Other Non-Current Assets	28.36	13.96
Total Non-Current Assets	22,868.24	16,759.88

CWIP surged from Rs. 435.46 Lakhs to Rs. 5,638.11 Lakhs, reflecting investment in new manufacturing capacity. Total additions to Property, Plant & Equipment and CWIP during the year amounted to approximately Rs. 6,162 Lakhs. All CWIP projects are expected to be completed within one year. Non-current investments rose to Rs. 935.00 Lakhs following the investment of Rs. 625.00 Lakhs in OCDs of the subsidiary ACL Alchemy Private Limited.

Current Assets

Particulars (Rs. Lakhs)	31st March 2026	31st March 2025
Current Investments	Nil	349.98
Inventories	10,623.53	15,077.22
Trade Receivables	8,401.72	2,621.36
Cash and Cash Equivalents	753.83	2,806.05
Short-Term Loans & Advances	2,983.72	3,924.40
Other Current Assets	137.70	140.31
Total Current Assets	22,900.50	24,919.32

Inventories declined from Rs. 15,077.22 Lakhs to Rs. 10,623.53 Lakhs, reflecting better inventory management. Raw materials declined from Rs. 13,362.77 Lakhs to Rs. 8,658.33 Lakhs, while finished goods increased marginally to Rs. 1,585.03 Lakhs. Trade receivables increased to Rs. 8,401.72 Lakhs, corresponding to the significant revenue growth, particularly in the second half of the year. All receivables are current (less than six months) and classified as undisputed and good. Cash and cash equivalents declined to Rs. 753.83 Lakhs primarily due to heavy investing activities in capex.

CASH FLOW ANALYSIS

Cash Flow Summary (Rs. Lakhs)	FY 2025-26	FY 2024-25
Net Cash from Operating Activities (A)	441.73	1,244.78
Net Cash used in Investing Activities (B)	(6,331.71)	(5,039.07)

The Company's business is exposed to various risks including:

Raw Material and Commodity Risk

The Company is exposed to volatility in global petroleum coke prices. Raw petroleum coke (Green Petroleum Coke) is a by-product of crude oil refining; fluctuations in crude oil prices and refinery capacities directly impact raw material costs. The Company imports approximately 58% of its raw materials, creating exposure to both price and logistics risks. Management mitigates this through diversified sourcing and matching sales contracts.

Foreign Currency Risk

Imports of raw materials in foreign currency create exchange rate exposure. As at the balance sheet date, the Company had three outstanding short-term forward exchange contracts for payables amounting to approximately US\$ 44.16 Lakhs (equivalent Rs. 4,087.11 Lakhs). Net unhedged foreign currency exposure stood at approximately US\$ 10.70 Lakhs (equivalent Rs. 1,106.08 Lakhs). The Company does not use forward contracts for speculative purposes.

Concentration Risk

The Company operates in a single business segment — Calcined Petroleum Coke — and derives the entirety of its revenues from this product. This creates dependence on the health of end-user industries, particularly aluminium, which can be cyclically sensitive. However, Company is developing new businesses – ECA and CPP.

Interest Rate and Liquidity Risk

The Company carries significant borrowings — both long-term (Rs. 9,565.84 Lakhs) and short-term (Rs. 10,358.40 Lakhs). Interest rate fluctuations directly impact finance costs. The Company monitors its liquidity position through working capital management and monitoring of interest rate movements.

Capital Expenditure Execution Risk

With a large CWIP of Rs. 5,638.11 Lakhs, the Company is exposed to construction and commissioning delays, cost overruns, and the risk that commissioned assets may not achieve projected utilisation levels within anticipated timelines. There is also senior level professional dealing with project implementation and doing continuous monitoring with senior management team to mitigate this risk.

Regulatory and Environmental Risk

The Company is subject to environmental regulations governing petroleum coke processing and calcination activities. Compliance with emission norms, waste disposal standards, and occupational health and safety requirements is monitored by management. No regulatory litigation was reported outstanding during the year.

Internal Control System & Their Adequacy

The Company has strong internal control procedures in place that commensurate with its size and operations. The Board of Directors, responsible for the internal control system, sets the guidelines and verifies its adequacy, effectiveness and application. The Company's internal control system is designed to ensure management efficiency, measurability and verifiability, reliability of accounting and management information, compliance with all applicable laws and regulations, and the protection of the Company's assets.

Human Resources and Industrial Relations

The Company had 85 employees as on 31st March, 2026. It continues to invest in employee training, safety, and leadership development. The industrial relations environment remained cordial during the year, with zero man-days lost due to disputes or unrest.

Key initiatives during the year:

- Skill enhancement workshops.
- Occupational health and safety campaigns.
- Digital workforce systems implementation.

Environment, Health and Safety (EHS)

Environmental compliance and safety remain top priorities. The Company has:

- Installed pollution control equipment like bag filters, scrubbers, and continuous emission monitoring systems.
- Adopted water and energy conservation measures across plants.
- Reported zero major reportable incidents in FY 2025-26.

Cautionary Statement

Certain statements in this Report concerning our future growth prospects are forward-looking statements, which involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The Company assumes no responsibility to publicly amend, modify or revise any forward-looking statements on the basis of subsequent developments.

To strengthen the Internal Control Processes, the Company has appointed Independent Professional firm as Internal Auditors who are authorized by the Audit Committee to assess the adequacy of Control Processes and report key audit observations and recommendations to the Audit Committee on a periodic interval. Further, during the year the Internal Financial Controls were adequate and operating effectively. The Statutory Auditors have also certified on adequacy of Internal Controls & their operating effectiveness.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
PETRO CARBON AND CHEMICALS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the standalone financial statements of Petro Carbon and Chemicals Limited ("the Company"), which comprise the standalone balance sheet as at **31st March 2026**, the standalone statement of Profit and Loss and standalone statement of the cash flow statement for the year then ended, notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information herein after referred to as "Standalone Financial Statements".
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at 31st March 2026, and its profit and loss and its cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Information Other than the Standalone financial statements and Auditor's Report Thereon

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone financial statements

5. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate

internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the standalone financial statements, the Board of Directors is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
7. Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone financial statements

8. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
9. As part of an audit in accordance with Standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

11. As required by the Companies (Auditor's Report) Order, 2020 ("the order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure - A**", a statement on the matter specified in paragraphs 3 & 4 of the said Order.
12. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss and the Standalone Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure - B**".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The company does not have any pending litigation which would impact its financial position.
 - ii) The company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv)
 - a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries") with the understanding, whether recorded in writing or otherwise, that the Intermediary shall :
 - i. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or
 - ii. provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entities, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
 - i. directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or
 - ii. provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the above management representations under subclause (i) and (ii) of Rule 11(e), as provided under (A) and (B) above, contain any material misstatement.
 - v) The company has not paid or declared any dividend during the year and hence provision for section 123 not applicable.

- (h) Based on our examination, which included test checks, the company has used accounting software for maintaining its books of account for the financial year ended 31st March 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.
- (i) In our opinion and according to the information and explanations given to us, the remuneration paid by the company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented by us.

“Annexure - A” to the Independent Auditor’s Report of even date on the Standalone Financial Statements of Petro Carbon and Chemicals Limited for the year ended 31st March 2026.

(Referred to in paragraph 13 of section “Report on other legal and regulatory requirements” forming part of the Independent Auditor’s report dated 19th day of May’ 2026)

To the best of our information and according to the explanations provided to us by the company and the books of accounts and records examined by us in the normal course of audit, we state that:

- (i) a) (A) The company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment;
- (B) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no intangible assets of the Company so this clause is not applicable.
- b) As explained to us, the property, plant and equipment of the company have been physically verified by the management during the year, which in our opinion is reasonable, having regard to the size of the company and the nature of its assets. No material discrepancies between the book records and the physical assets have been noticed. In our opinion, the frequency of verification is reasonable.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the company, the title deeds of immovable properties (other than immovable properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the standalone financial statements are held in the name of the company.
- d) According to the information and explanations given to us no revaluation of Property, Plant and Equipment or intangible assets has been carried out during the year.
- e) According to the information and explanations given to us no proceedings has been initiated or are pending against the company for holding any benami property under the Benami Transaction (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- (ii) a) According to the information and explanations given to us, the inventories, except goods-in-transit have been physically verified during the year by the management at reasonable intervals. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by Management were appropriate. No variance greater than 10% or more in the aggregate for each class of inventory was noticed during the physical verification.
- b) The company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of the security of current assets. The quarterly statements, in respect of the working capital limits have been filed by the company with such banks and such statements are generally in agreement with the books of account of the company for the respective periods, which were not subject to audit. Refer note 29.23 to the Standalone Financial Statements.
- (iii) According to the information and explanations given to us, and based on the audit procedures performed, the Company has made investments in the Optionally Convertible Debentures (OCDs) issued by its wholly owned subsidiary during the year. The Company has not provided any guarantees, given security, or granted any advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships, or any other parties during the year. Consequently:
 - a) According to the information and explanations given to us, the Company has not provided any loans, advances in the nature of loans, stood guarantee, or provided security to any entity during the year. Accordingly, reporting under clause 3(iii)(a) of the Order is not applicable.
 - b) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has made an investment in optionally convertible debentures of its subsidiary company during the year under review. In our opinion, the terms and conditions of the said investment are not, prima facie, prejudicial to the interest of the Company.
 - c) According to the information and explanations given to us, in respect of the investment made in the Optionally Convertible Debentures (OCDs) of the subsidiary, the schedule of repayment of principal and payment of interest has been stipulated and the receipts are regular.
 - d) According to the information and explanations given to us, in respect of the investment made in Optionally Convertible Debentures of the subsidiary, there is no overdue amount outstanding for more than ninety days.
 - e) According to the information and explanations given to us, no loan or advance in the nature of loan granted by the company has fallen due during the year, nor has any debt been renewed, extended, or fresh loans granted to settle the overdues of existing loans. Thus, reporting under clause 3(iii)(e) is not applicable.

- f) According to the information and explanations given to us, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment. Accordingly, reporting under clause 3(iii)(f) of the Order is not applicable.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not given any loans, or provided any guarantees or securities which attract the provisions of Section 185 of the Companies Act, 2013. Further, the Company has not given any loans, provided guarantees, or provided security under the provisions of Section 186 of the Companies Act, 2013. In respect of the investments made by the Company in the Optionally Convertible Debentures (OCDs) of its wholly-owned subsidiary company during the year, the Company has complied with the provisions of Section 186 of the Companies Act, 2013.
- (v) The company has not accepted any deposits within the meaning of section 73 to 76 or any other relevant provisions of the Companies Act and rules made there under. Accordingly, the provisions of clause 3(v) of the order is not applicable.
- (vi) The Central Government has specified the maintenance of cost records under section 148(1) of the Act for the products of the company. We have broadly reviewed the books of account maintained by the company and are of the opinion that prima-facie, the prescribed accounts and records have been made and maintained. We have, however, not made a detailed examination of the records with a view to determining whether they are accurate or complete.
- (vii) a) According to the information and explanations given to us and on the basis of our examination of the records of the company, the company has generally been regular in depositing undisputed statutory dues including Goods and Service Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess, and any other statutory dues to the appropriate authorities. As on the last day of the financial year no undisputed statutory dues were outstanding for a period of six months from the date they become payable.
- b) According to the information and explanations given to us, there are no statutory dues referred in sub-clause (a) above which have not been deposited as at balance sheet date on account of disputes.
- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the company, there were no transactions relating to previously unrecorded in the books of account have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (ix) a) The company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender. Accordingly, the provisions of clause 3(ix)(a) of the Order is not applicable.
- b) The company has not been declared wilful defaulter by any bank or financial institution or government or any government authority. Accordingly, the provisions of clause 3(ix)(b) of the Order is not applicable.
- c) According to the information and explanations given to us and based on the audit procedures conducted by us, we are of the opinion that the term loans obtained by the company was applied for the purpose for which it was obtained.
- d) According to the information and explanations given to us and on an overall examination of the financial statements of the company, we report that no funds raised on short-term basis have been used for long-term purposes by the company.
- e) The company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates, or joint ventures. Accordingly, the provisions of clause 3(ix)(e) of the Order is not applicable.
- f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries as defined under the Companies Act, 2013 so this clause is not applicable.
- (x) a) The company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year under audit. Accordingly, the provisions of clause 3(x)(a) of the Order is not applicable.
- b) The company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under audit. Accordingly, the provisions of the clause 3(x)(b) of the order is not applicable.
- (xi) a) According to the information and explanations given to us, we report that no fraud by the company or any fraud on the company has been noticed or reported during the year under audit. Accordingly, the provisions of clause 3(xi)(a) of the order is not applicable.
- b) As there was no fraud noticed during the year, therefore, this clause is not applicable. No report under sub-section (12) of the section 143 of the Companies Act has been filed by the Auditor in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- c) As represented to us by the Management, there are no whistle-blower complaints received by the Company during the year.

- (xii) The company is not a Nidhi Company. Accordingly, the provisions of clause 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us by management, all the transaction with the related parties during the year are in compliance with section 177 and 188 of Companies Act. and the details have been disclosed in the standalone financial statement as required by the applicable accounting standard.
- (xiv) a) According to the information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- b) We have considered the internal audit reports of the company issued till date, for the period under audit.
- (xv) The company has not entered any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the company.
- (xvi) a) The company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and accordingly the provisions of sub-clause (a) of clause 3(xvi) of the Order is not applicable.
- b) According to the information and explanations given to us and based on the audit procedures conducted we report that the company has not conducted any Non-Banking Financial or Housing activity and accordingly the provisions of sub-clause (b) clause 3(xvi) of the order is not applicable.
- c) The company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India and accordingly the provisions of sub-clause (c) & (d) of clause 3(xvi) of the Order is not applicable.
- (xvii) According to the information and explanations given to us and based on the audit procedures conducted we report that the company has not incurred any cash losses in the financial year and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, the provisions of clause 3(xviii) of the Order is not applicable.
- (xix) On the basis of the examination of financial ratio ageing and expected dates of realization of financial assets and payment of financial liabilities and also other information accompanying the financial statement, we are of the opinion that no material uncertainty exists as on the date of the audit report that company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.
- (xx) Based on our audit procedure and according to the information and explanations given to us, The Company has fully spent the required amount towards Corporate Social responsibility (CSR) and there are no unspent CSR amounts for the year requiring a transfer to a fund specified in Schedule VII of the Act or special account in compliance with the provision of sub-section (6) of Section 135 of the Act. “Annexure - B” to the Independent Auditor’s Report of even date on the Standalone Financial Statements of Petro Carbon and Chemicals Limited

(referred to in paragraph 14(f) of section “Report on other legal and regulatory requirements” forming part of the Independent Auditor’s report dated 19th day of May, 2026)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)
Opinion

1. We have audited the internal financial controls over financial reporting of **Petro Carbon and Chemicals Limited** (formerly known as “Petro Carbon and Chemicals Private Limited”), (“the Company”) as at **31st March 2026** in conjunction with our audit of the financial statements of the Company for the year ended on that date.
2. In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”).

Management’s Responsibility for Internal Financial Controls

3. The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ‘Institute of Chartered Accountants of India (ICAI)’. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

4. Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
5. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
6. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting with reference to financial statements.

Meaning of Internal Financial Controls Over Financial Reporting

7. A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

8. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes 1 to 29 annexed to and forming part of the Standalone Financial Statements for the year ended 31st March 2026.

NOTE 1 : ACCOUNTING POLICIES
1.1 Corporate Information

Petro Carbon and Chemicals Limited (the company) is a limited company domiciled in India and incorporated under the provisions of the Indian Companies Act. The corporate identification number of the company is L24110WB2007PLC120212. The company has been converted to Public Company from Private Company on 23rd February 2024 and its equity shares are listed on the National Stock Exchange (NSE) SME Emerge platform in India. The company is in the business of manufacturing Calcined Petroleum Coke at West Bengal.

1.2 Basis of Preparation of Accounts

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared on an accrual basis and under the historical cost convention on accrual basis.

1.3 Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, revenues and expenses and disclosure of contingent assets and liabilities at the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements which in management's opinion are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying financial statements. However, accounting estimates could change from period to period. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Any revision to accounting estimates is recognised prospectively in current and future periods and, if material, their effects are disclosed in the notes to the financial statements.

1.4 Functional and Presentation Currency

These financial statements are presented in Indian Rupees, the company's functional currency. All Financial information presented in Indian Rupee has been rounded off to the nearest lakh as per the requirements of Schedule III of the Act unless otherwise stated.

1.5 Rounding of amounts

All financial information presented in Indian Rupees has been rounded to the nearest Lakhs with two decimals.

1.6 Current and Non-current classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset is classified as current when it satisfies any of the following criteria:

- i. it is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- ii. it is held primarily for the purpose of being traded;
- iii. it is expected to be realized within 12 months after the reporting date;
- iv. it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

A liability is classified as current when it satisfies any of the following criteria:

- i. it is expected to be settled in the Company's normal operating cycle;
- ii. it is held primarily for the purpose of being traded;
- iii. it is due to be settled within 12 months after the reporting date; or
- iv. The Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current assets/liabilities include current portion of non-current financial assets/liabilities respectively. All other assets/liabilities are classified as non-current. Deferred tax are classified as non-current.

1.7 Operating cycle

Based on the nature of the operations and the time between the acquisition of assets for processing and their realization in cash or cash equivalents, the Company has ascertained its operating cycle less than twelve months for the purpose of current non-current classification of assets and liabilities.

1.8 Property, Plant and Equipment

Property, Plant and Equipment are carried at cost less accumulated depreciation. The total cost of assets comprises its purchase price, freight, duties, taxes (net of claims) and any other incidental expenses directly attributable to bringing the asset to the working condition for its intended use and interest on loans attributable to the acquisition of assets up to the date of commissioning of assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the year in which the costs are incurred. Major shut-down and overhaul expenditure is capitalised as the activities undertaken improves the economic benefits expected to arise from the asset.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in Statement of Profit and Loss.

Expenditure during construction period

In case of new projects and substantial expansion of existing units, expenditure incurred including trial production expenses net of revenue earned, and attributable interest and financing costs, prior to commencement of commercial production/completion of project are capitalised. Costs associated with the commissioning of an asset and any obligatory decommissioning costs are capitalised where the asset is available for use but incapable of operating at normal levels until a year of commissioning has been completed. Revenue (net of cost) generated from production during the trial period is capitalised. Assets in the course of construction are capitalised in the assets under Capital work in progress. At the point when an asset is operating at management's intended use, the cost of construction is transferred to the appropriate category of property, plant and equipment and depreciation commences.

1.9 Capital work-in-progress

Capital work-in-progress includes cost of property, plant and equipment under installation/under development as at the balance sheet date. Capital Expenditures on tangible assets for research and development is classified under property, plant and equipment and is depreciated on the same basis as other property, plant and equipment. Property, plant and equipment not ready for their intended use as on the balance sheet date are disclosed as "Capital work-in-progress". Such items are classified to the appropriate category of property, plant and equipment when completed and ready for their intended use. Advances given towards acquisition/ construction of property, plant and equipment outstanding at each balance sheet date are disclosed as Capital Advances under "Long-Term Loans and Advances"

1.10 Intangible Assets

Intangible assets that are acquired by the Company, which have finite useful lives, are measured at cost less accumulated amortization. Costs include expenditure that is directly attributable to the acquisition of the intangible assets. Intangible Asset under development includes cost of development of new intangible assets to complete the assets as at the balance sheet date.

Subsequent expenditure on intangible asset is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure are recognized in profit or loss as incurred.

Amortization is recognized in profit or loss on a straight-line basis over the estimated useful lives of intangible assets from the date that they are available for use.

1.11 Impairment of Assets

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged for when an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

1.12 Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

1.13 Investments in Subsidiaries

A subsidiary is an entity controlled by the Company. Control exists when the Company has power over the entity, is exposed, or has rights to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns.

The Company has accounted for its equity instruments in Subsidiaries at cost, less accumulated impairment, if any. The cost comprises the price paid to acquire investment and directly attributable cost.

1.14 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Sale of Goods

Revenue from sale of goods is recognized on transfer of all significant risks and rewards related to the ownership of such goods to the buyer. Sales are stated net of trade discount, sales return, claims, duties and GST. Revenue is recognized only when it can be reliably measured and it is reasonable to expect ultimate collection. Revenue from sale of Electrical Energy is recognised when delivered and measured periodically based on the bilateral contractual arrangements.

Interest income

Interest income is recognized on time proportion basis on interest rates implicit in the transaction.

Other Income

Insurance claims are accounted for on acceptance based on certainty of realisation. Other income is recognized based on the contractual obligations on accrual basis. However Incomes and expenses, which are uncertain in nature, are provided on acceptance basis.

1.15 Inventories

Inventories are valued at lower of cost and estimated net realizable value. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

In case of finished goods, costs are calculated at direct material cost, conversion and other costs incurred to bring the inventories to their present location and condition.

The basis of determining cost for various categories of inventories are as follows:

- i) Raw Materials : Weighted Average Cost Method
- ii) Finished Goods : Lower of Cost or Net Realisable Value
- iii) Packing Bags : Weighted Average Cost Method
- iv) Stores & Spares : FIFO Method

1.16 Depreciation and Amortisation

Pursuant to enactment of Companies Act, 2013 ("the Act") the company has reviewed and revised the estimated useful life of the Property Plant and Equipment. Depreciation on Property Plant and Equipment is provided to the extent of depreciable amount on the Straight Line Method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 representing the management's estimate of the useful life of these assets and following consistency with previous year. Depreciation on additions to Property Plant and Equipment is provided on a pro-rata basis from the date of put to use. The company has estimated residual value of the assets to be 5% of the cost of the asset.

Leasehold land and building is amortized over the period of lease.

1.17 Borrowing Cost

Borrowing Costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of such Property, Plant and Equipment. A qualifying asset is one that takes substantial period of time to get ready for intended use. All other borrowing costs are recognized as expense in the Statement of Profit and Loss during the period in which they arise.

1.18 Accounting for Taxes on Income

i) Current Taxes

Provision of current tax is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961. Current tax assets and liabilities are offset only if, the Company has a legally enforceable right to set off the recognised amounts.

ii) Deferred Taxes

Deferred tax assets and liabilities are recognized by computing the tax effect on timing difference which arise during the year and reverse in the subsequent periods. Deferred tax assets are recognized only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

1.19 Earnings Per Share

Basic EPS

The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as buyback of shares and issue of equity shares, if any, that have changed the number of equity shares outstanding at the year end.

Diluted EPS

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

1.20 Cash Flow Statement

Cash flows are reported using the indirect method as per Accounting Standard 3, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated. The Company's Cash comprises cash on hand, at bank and demand deposits with banks.

1.21 Foreign Currency Transactions

- i) Foreign Currency Transactions are recorded in the reporting currency which is Indian Rupee, at exchange rates prevailing on the date of such transactions.
- ii) Monetary items denominated in foreign currencies at year end are restated at year end rates. In case of items which are covered by forward exchange contracts, the difference between the year end rate and rate on the date of the contract is recognized as exchange difference and the premium paid on forward contracts is recognized over the life of the contract.
- iii) Foreign Currency assets and liabilities at the year end are realigned at the exchange rates prevailing at the year end and the difference on realignment is recognized in the statement of profit and loss/fixed assets as the case may be.
- iv) Any income or expense on account of exchange difference either on settlement or on translation is recognized in the Statement of Profit and Loss.

1.22 Employee Benefits

Gratuity

The Company has an obligation towards gratuity which is a defined benefit retirement plan covering eligible employees. The plan provides for lump sum payment to vested employees at retirement, at death while in employment of an amount equal to 15 divided by 26 days salary payable for each completed years of service. The normal age of retirement is 60 years and vesting

occurs upon the completion of five years of service. The maximum limit of Gratuity is Rs. 20 lacs. The Company accounts for the liability of gratuity benefits payable in future based on an independent actuarial valuation, carried out as the year end.

Provident Fund

The eligible employees of the company are entitled to receive benefits under the provident fund, a defined contribution plan, in which both the employees and the company make monthly contributions at a specified percentage of the covered employee's salary (currently 12% of employee's salary). The contribution as specified under the law is paid to the recognized provident fund.

Others

Short Term employee benefits are recognized as an expense at the undiscounted amount in the account of the period in which the related services are rendered. Liabilities for wages and salaries that expected to be settled within twelve months after the end of the period in which they arise.

1.23 Lease

Lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to ownership or if the asset is leased for substantially entire life of the asset. Title may or may not eventually be transferred.

A lease is classified as an operating lease if it does not transfer substantially all the risks and rewards incidental to ownership. The Company has leasehold land under the arrangement of finance lease as the ownership will be transferred at the end of lease term.

At the inception of a finance lease, the lessee should recognize the lease as an asset and a liability. Such recognition should be at amount equal to the fair value of the leased asset at the inception of the lease. However, if the fair value of the leased asset exceeds the present value of the minimum lease payments from the standpoint of the lessee, the amount recorded as an asset and a liability should be the present value of the minimum lease payments from the standpoint of the lessee. In calculating the present value of the minimum lease payments, the discount rate is the interest rate implicit in the lease, if it is practicable to determine; if not, the lessee's incremental borrowing rate should be used.

Lease payments should be apportioned between the finance charge and the reduction of the outstanding liability. The finance charge should be allocated to periods during the lease term to produce a constant periodic rate of interest on the remaining balance of the liability for each period. Finance Charges are recognised as finance cost in the statement of profit & loss account.

1.24 Provisions, Contingent Liabilities, Contingent Assets and Commitments

(i) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, the amount of a provision shall be the present value of expense expected to be required to settle the obligation. Provisions are therefore discounted, when effect is material, The discount rate shall be pre-tax rate that reflects current market assessment of time value of money and risk specific to the liability. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

(ii) Contingencies

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Standalone financial statements.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity, Contingent assets are not recognised, but are disclosed in the notes. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

1.25 Events occurring after the Balance Sheet date

Events occurring after the balance sheet date up to the date of adoption of the accounts, which represent material changes and commitments affecting the financial position, are disclosed by way of notes on the accounts.

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the consolidated financial statements section of our report. We are independent of the Parent Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Other Matters

4. We did not audit the annual financial statements/ financial information of two subsidiaries included in consolidated financial statements, whose financial statements and other financial information reflect the total assets of Rs. 31.11 Lakhs and net assets of Rs. 29.77 Lakhs as at 31st March 2026, total revenues of Rs. 33.34 Lakhs, total net profit/(loss) after tax Rs. 30.56 and net cash flows amounting to Rs. (0.52) Lakhs for the year ended on that date, as considered in the consolidated financial statements.

The consolidated financial statements also include the Group's share of net profit/(loss) of Rs. 28.44 Lakhs for the year ended 31st March 2026, as considered in the consolidated financial statements, in respect of one associate, whose financial statements / financial information have not been audited by us.

These financial statements and other financial information have been audited by other independent auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates, is based solely on the reports of the other auditors and the procedures performed by us as stated in paragraph 3 above.

5. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates and our report in terms of sub-sections (3) and (11) of Section 143 of the Companies Act, in so far as it relates to the aforesaid subsidiaries and associates, is based solely on the reports of the other auditors.

Our opinion on the Statement is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Information Other than the Financial Statements and Auditor's Report Thereon

7. The Parent Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditors' report. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
8. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

9. The Parent Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Parent Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Parent Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
10. In preparing the consolidated financial statements, the Board of Directors is responsible for assessing the Parent company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Parent Company or to cease operations, or has no realistic alternative but to do so.
11. Those respective Board of Directors and Management of the Entities included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the consolidated Financial Statements

12. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
13. As part of an audit in accordance with Standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Parent Company's ability to continue as a going concern. If we conclude that a material uncertainty

exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Parent Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

15. As required by clause (xxi) of paragraph 3 of Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act based on the consideration of the Order reports issued by us and by the respective other auditor of companies included in the consolidated financial statements and covered under the Act as noted in other matter paragraph, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3(xxi) of the Order, to the extent applicable
16. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of aforesaid consolidated financial statements;
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the report of other auditors;
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of Consolidated Financial Statements;
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, as amended.
 - (e) On the basis of the written representations received from the directors of the Parent company as on 31st March, 2026 taken on record by the Board of Directors of the Parent company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Parent Company and its subsidiary companies which is incorporated in India, the operating effectiveness of such controls, refer to our separate Report in "**Annexure - B**".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Group does not have any pending litigation which would impact its financial position.
 - ii) The Group has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Parent Company, its Subsidiary companies.
 - iv) a) The respective managements of Parent company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Parent Company or any of such subsidiary and associate to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in

writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Parent Company or any of such subsidiary and associate ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- b) The respective Managements of the Company and its subsidiary company which are companies incorporated in India, whose financial statements have been audited under the Act, have represented that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company or any of such subsidiary and associate from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiary and associate shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us on the Company and its subsidiary and associate which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v) The Parent company, its subsidiary companies have not declared or paid any dividend during the year to equity shareholders and hence provision for section 123 not applicable.
- (h) Based on our examination, which included test checks, the Parent company has used accounting software for maintaining its books of account for the financial year ended 31st March 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with. As reported by other Auditors, the Subsidiaries have used accounting software for maintaining its books of account for the financial year ended 31st March 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software.
- (i) In our opinion and according to the information and explanations given to us, the remuneration paid by the Parent Company to its directors is in accordance with the provisions of Section 197 of the Act. In our opinion and to the best of our information and according to the explanations given to us, the provisions of section 197(16) of the Act are not applicable to the its subsidiary companies, being private limited company, based on the report of the statutory auditors of its subsidiary company incorporated in India which were not audited by us.

“Annexure - B” to the Independent Auditor’s Report of even date on the Consolidated Financial Statements of Petro Carbon and Chemicals Limited

(Referred to in paragraph 17(f) of section “Report on other legal and regulatory requirements” forming part of the Independent Auditor’s report dated 19th May, 2026)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)
Opinion

1. We have audited the internal financial controls over financial reporting of **Petro Carbon and Chemicals Limited** (formerly known as “Petro Carbon and Chemicals Private Limited”), (“the Holding Company”), its subsidiaries and its associate as of that date as at **31st March 2026** in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.
2. In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”).

Management’s Responsibility for Internal Financial Controls

3. The respective Board of Directors of the Holding Company and its Subsidiaries are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

4. Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
5. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
6. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting with reference to financial statements.

Meaning of Internal Financial Controls Over Financial Reporting

7. A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

8. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

9. Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of Holding Company. In so far as it relates to two subsidiaries, which is a Company incorporated in India, is based on the corresponding reports of the auditors of such subsidiaries incorporated in India.

1.2 Basis of Preparation of Accounts

The Consolidated financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these Consolidated financial statements to comply in all material respects with the accounting standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013. The Consolidated financial statements have been prepared on an accrual basis and under the historical cost convention on accrual basis.

1.3 Use of Estimates

The preparation of Consolidated financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, revenues and expenses and disclosure of contingent assets and liabilities at the date of the Consolidated financial statements. The estimates and assumptions used in the accompanying Consolidated financial statements are based upon management’s evaluation of the relevant facts and circumstances as of the date of consolidated financial statements which in management’s opinion are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying consolidated financial statements. However, accounting estimates could change from period to period. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Any revision to accounting estimates is recognised prospectively in current and future periods and, if material, their effects are disclosed in the notes to the consolidated financial statements.

1.4 Rounding of amounts

All financial information presented in Indian Rupees has been rounded to the nearest Lakhs with two decimals.

1.5 Functional and Presentation Currency

These consolidated financial statements are presented in Indian Rupees, the company’s functional currency. All consolidated Financial information presented in Indian Rupee has been rounded off to the nearest lakh as per the requirements of Schedule III of the Act unless otherwise stated.

1.6 Operating cycle

Based on the nature of the operations and the time between the acquisition of assets for processing and their realization in cash or cash equivalents, the Company has ascertained its operating cycle less than twelve months for the purpose of current non-current classification of assets and liabilities.

1.7 Principles of Consolidation

The Consolidated Financial Statements have been prepared on the following basis:

- i) The Financial Statements of the subsidiaries used in consolidation are drawn up to the same reporting date as that of the Holding Company i.e. year ended 31st March, 2026 and are audited.
- ii) The Financial Statements of the Holding Company and its subsidiary companies have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after eliminating intra-group balances, intra-group transactions and resulting unrealized profits or losses, unless cost cannot be recovered, as per Accounting Standards 21 – “Consolidated Financial Statements”, specified under Section 133 of the Companies Act, 2013.

- iii) The excess of cost to the Holding Company of its investments in the subsidiary companies over its share of equity of the subsidiary companies, at the date on which the investments are made, is recognized as 'Goodwill' being an asset in the Consolidated Financial Statements and is tested for impairment annually. On the other hand, where the share of equity in the subsidiary, as on the date of investment is in excess of cost of investment of the Holding Company, it is recognized as 'Capital Reserve' and shown under the head 'Reserves and Surplus', in the Consolidated Financial Statements.
- iv) In the case of foreign subsidiaries, being non-integral foreign operations, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in the Foreign Exchange Translation Reserve.
- v) Minority Interest in the net assets of consolidated subsidiaries consists of the amount of equity attributable to the minority shareholders at the dates on which Investments in the subsidiary companies were made and further movements in their share in the equity, subsequent to the dates of investments. Net profit / (loss) for the year of the subsidiaries attributable to minority interest is identified and adjusted against the profit after tax of the Group in order to arrive at the income attributable to shareholders of the Holding Company.
- vi) As far as possible, the consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Holding Company's separate financial statements.
- vii) a) Following Subsidiary Companies have been considered in the preparation of the Consolidated Financial Statements:

Name of the Subsidiaries	Country of Incorporation	% of Holding as at	
		31st March, 2026	31st March, 2025
ACL Advanced Materials Private Limited (w.e.f. 24.10.2024)	India	100%	100%
ACL Alchemy Private Limited(w.e.f. 13.11.2024)	India	100%	100%

Name of the Associate

Vishal Industries , Partnership Firm (Associate of ACL Alchemy Private Limited, w.e.f. 08.04.2025)	India	50%	—
--	-------	-----	---

- b) A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction.
- If the Group loses control over a subsidiary, it:
- a) derecognizes the assets (including goodwill) and liabilities of the subsidiary
 - b) derecognizes the carrying amount of any minority interest
 - c) derecognizes the cumulative translation differences, recorded in foreign currency translation reserve
 - d) recognizes the value of the consideration received
 - e) recognizes the value of any investment retained
 - f) recognizes any surplus or deficit in profit or losses
- c) The results of subsidiaries acquired or disposed off during the year are included in the consolidated statement of profit and loss from the effective date of acquisition or up to the effective date of disposal, as appropriate.
 - d) The difference between the proceeds from disposal of investment in subsidiaries and the carrying amount of its assets less liabilities as of the date of disposal is recognised in the consolidated Profit and Loss Statement being the profit or loss on disposal of investment in subsidiary.

1.8 Current and Non-current classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset is classified as current when it satisfies any of the following criteria:

- i. it is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- ii. it is held primarily for the purpose of being traded;
- iii. it is expected to be realized within 12 months after the reporting date;
- iv. it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

A liability is classified as current when it satisfies any of the following criteria:

- i. it is expected to be settled in the Company's normal operating cycle;
- ii. it is held primarily for the purpose of being traded;
- iii. it is due to be settled within 12 months after the reporting date; or
- iv. The Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current assets/liabilities include current portion of non-current consolidated financial assets/liabilities respectively. All other assets/liabilities are classified as non-current. Deferred tax are classified as non-current.

1.9 Property, Plant and Equipment

Property, Plant and Equipment are carried at cost less accumulated depreciation. The total cost of assets comprises its purchase price, freight, duties, taxes (net of claims) and any other incidental expenses directly attributable to bringing the asset to the working condition for its intended use and interest on loans attributable to the acquisition of assets up to the date of commissioning of assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the year in which the costs are incurred. Major shut-down and overhaul expenditure is capitalised as the activities undertaken improves the economic benefits expected to arise from the asset.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in Statement of Profit and Loss.

Expenditure during construction period

In case of new projects and substantial expansion of existing units, expenditure incurred including trial production expenses net of revenue earned, and attributable interest and financing costs, prior to commencement of commercial production/completion of project are capitalised. Costs associated with the commissioning of an asset and any obligatory decommissioning costs are capitalised where the asset is available for use but incapable of operating at normal levels until a year of commissioning has been completed. Revenue (net of cost) generated from production during the trial period is capitalised. Assets in the course of construction are capitalised in the assets under Capital work in progress. At the point when an asset is operating at management's intended use, the cost of construction is transferred to the appropriate category of property, plant and equipment and depreciation commences.

1.10 Capital work-in-progress

Capital work-in-progress includes cost of property, plant and equipment under installation/under development as at the balance sheet date. Capital Expenditures on tangible assets for research and development is classified under property, plant and equipment and is depreciated on the same basis as other property, plant and equipment. Property, plant and equipment not ready for their intended use as on the balance sheet date are disclosed as "Capital work-in-progress". Such items are classified to the appropriate category of property, plant and equipment when completed and ready for their intended use. Advances given towards acquisition/ construction of property, plant and equipment outstanding at each balance sheet date are disclosed as Capital Advances under "Long-Term Loans and Advances"

1.11 Intangible Assets

Intangible assets that are acquired by the Company, which have finite useful lives, are measured at cost less accumulated amortization. Costs include expenditure that is directly attributable to the acquisition of the intangible assets. Intangible Asset under development includes cost of development of new intangible assets to complete the assets as at the balance sheet date.

Subsequent expenditure on intangible asset is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure are recognized in profit or loss as incurred.

Amortization is recognized in profit or loss on a straight-line basis over the estimated useful lives of intangible assets from the date that they are available for use.

1.12 Impairment of Assets

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged for when an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

1.13 Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

1.14 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Sale of Goods

Revenue from sale of goods is recognized on transfer of all significant risks and rewards related to the ownership of such goods to the buyer. Sales are stated net of trade discount, sales return, claims, duties and GST. Revenue is recognized only when it can be reliably measured and it is reasonable to expect ultimate collection. Revenue from sale of Electrical Energy is recognised when delivered and measured periodically based on the bilateral contractual arrangements.

Interest income

Interest income is recognized on time proportion basis on interest rates implicit in the transaction.

Other Income

Insurance claims are accounted for on acceptance based on certainty of realisation. Other income is recognized based on the contractual obligations on accrual basis. However Incomes and expenses, which are uncertain in nature, are provided on acceptance basis.

1.15 Inventories

Inventories are valued at lower of cost and estimated net realizable value. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

In case of finished goods, costs are calculated at direct material cost, conversion and other costs incurred to bring the inventories to their present location and condition.

The basis of determining cost for various categories of inventories are as follows:

- i) Raw Materials : Weighted Average Cost Method
- ii) Packing Bags : Weighted Average Cost Method
- iii) Stores & Spares : FIFO Method

1.16 Depreciation and Amortisation

Pursuant to enactment of Companies Act, 2013 ("the Act") the company has reviewed and revised the estimated useful life of the Property Plant and Equipment. Depreciation on Property Plant and Equipment is provided to the extent of depreciable amount on the Straight Line Method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 representing the management's estimate of the useful life of these assets and following consistency with previous year. Depreciation on additions to Property Plant and Equipment is provided on a pro-rata basis from the date of put to use. The company has estimated residual value of the assets to be 5% of the cost of the asset.

Leasehold land and building is amortized over the period of lease.

1.17 Borrowing Cost

Borrowing Costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of such Property, Plant and Equipment. A qualifying asset is one that takes substantial period of time to get ready for intended use. All other borrowing costs are recognized as expense in the Statement of Profit and Loss during the period in which they arise.

1.18 Accounting for Taxes on Income

i) Current Taxes

Provision of current tax is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961. Current tax assets and liabilities are offset only if, the Company has a legally enforceable right to set off the recognised amounts.

ii) Deferred Taxes

Deferred tax assets and liabilities are recognized by computing the tax effect on timing difference which arise during the year and reverse in the subsequent periods. Deferred tax assets are recognized only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

1.19 Earnings Per Share

Basic EPS

The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as buyback of shares and issue of equity shares, if any, that have changed the number of equity shares outstanding at the year end.

Diluted EPS

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

1.20 Cash Flow Statement

Cash flows are reported using the indirect method as per Accounting Standard 3, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated. The Company's Cash comprises cash on hand, at bank and demand deposits with banks.

1.21 Foreign Currency Transactions

- i) Foreign Currency Transactions are recorded in the reporting currency which is Indian Rupee, at exchange rates prevailing on the date of such transactions.
- ii) Monetary items denominated in foreign currencies at year end are restated at year end rates. In case of items which are covered by forward exchange contracts, the difference between the year end rate and rate on the date of the contract is recognized as exchange difference and the premium paid on forward contracts is recognized over the life of the contract.
- iii) Foreign Currency assets and liabilities at the year end are realigned at the exchange rates prevailing at the year end and the difference on realignment is recognized in the statement of profit and loss/fixed assets as the case may be.
- iv) Any income or expense on account of exchange difference either on settlement or on translation is recognized in the Statement of Profit and Loss.

1.22 Employee Benefits

Gratuity

The Company has an obligation towards gratuity which is a defined benefit retirement plan covering eligible employees. The plan provides for lump sum payment to vested employees at retirement, at death while in employment of an amount equal to 15 divided by 26 days salary payable for each completed years of service. The normal age of retirement is 60 years and vesting occurs upon the completion of five years of service. The maximum limit of Gratuity is Rs. 20 lacs. The Company accounts for the liability of gratuity benefits payable in future based on an independent actuarial valuation, carried out as the year end.

Provident Fund

The eligible employees of the company are entitled to receive benefits under the provident fund, a defined contribution

plan, in which both the employees and the company make monthly contributions at a specified percentage of the covered employee's salary (currently 12% of employee's salary). The contribution as specified under the law is paid to the recognized provident fund.

Others

Short Term employee benefits are recognized as an expense at the undiscounted amount in the account of the period in which the related services are rendered. Liabilities for wages and salaries that expected to be settled within twelve months after the end of the period in which they arise.

1.23 Lease

Lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to ownership or if the asset is leased for substantially entire life of the asset. Title may or may not eventually be transferred.

A lease is classified as an operating lease if it does not transfer substantially all the risks and rewards incidental to ownership. The Company has leasehold land under the arrangement of finance lease as the ownership will be transferred at the end of lease term.

At the inception of a finance lease, the lessee should recognize the lease as an asset and a liability. Such recognition should be at amount equal to the fair value of the leased asset at the inception of the lease. However, if the fair value of the leased asset exceeds the present value of the minimum lease payments from the standpoint of the lessee, the amount recorded as an asset and a liability should be the present value of the minimum lease payments from the standpoint of the lessee. In calculating the present value of the minimum lease payments, the discount rate is the interest rate implicit in the lease, if it is practicable to determine; if not, the lessee's incremental borrowing rate should be used.

Lease payments should be apportioned between the finance charge and the reduction of the outstanding liability. The finance charge should be allocated to periods during the lease term to produce a constant periodic rate of interest on the remaining balance of the liability for each period. Finance Charges are recognised as finance cost in the statement of profit & loss account.

1.24 Provisions, Contingent Liabilities, Contingent Assets and Commitments:

(i) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, the amount of a provision shall be the present value of expense expected to be required to settle the obligation. Provisions are therefore discounted, when effect is material, The discount rate shall be pre-tax rate that reflects current market assessment of time value of money and risk specific to the liability. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

(ii) Contingencies

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the consolidated financial statements.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity, Contingent assets are not recognised, but are disclosed in the notes. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

1.25 Events occurring after the Balance Sheet date:

Events occurring after the balance sheet date up to the date of adoption of the accounts, which represent material changes and commitments affecting the financial position, are disclosed by way of notes on the accounts.
